What's in YOUR Camera? Show Us!

We want to include photographers of all ages and levels of experience
and fill the gallery walls with creative photo energy!

How it will work:

You'll send us your best shot/s (up to 3 JPEGS) and spread the word among your friends and
co-photographers. If you submit more than one photo, we'll let you know via e-mail which
image/s will be included in the show.

We'll pick at least one of your photos and have it printed by a photo lab.

We'll hang all the prints in the gallery and hold an opening and closing reception for you and your
family and friends.

Together we'll all create a fun PhotoSlam 2010 event.

We hope to make this the first of many annual 'Slams.
